PROFILE SUMMARY

Instructional Designer and Team Lead with 2+ years of experience delivering scalable, high-impact learning solutions in enterprise environments. Currently working at Wipro on-site with a global client in the mapping domain, leading training initiatives that improve operational accuracy and reduce manual errors.

Experienced in end-to-end instructional design (ADDIE), stakeholder management, SME collaboration, LMS deployment, and team leadership. Skilled in developing SCORM-compliant e-learning content using Articulate Storyline and Rise 360. Familiar with Learning Experience Design (LXD) and adult learning principles to enhance learner engagement and retention.

TECHNICAL SKILLS

- **Authoring Tools:** Articulate Storyline, Rise 360, Adobe Captivate.
- **Content & Multimedia:** PowerPoint, Google Slides, Vyond, Adobe Premier pro, Adobe After effects.
- **Instructional Design:** ADDIE, Bloom's Taxonomy, Storyboarding, Learning Objectives, Curriculum Development.
- **LMS & QA:** LMS Administration, Course Publishing, Quality Assurance, Content Validation.
- **Team Leadership & Project Management:** Team Coordination, Task Allocation, Mentoring and Coaching, Project Planning, Delivery Management, Cross-functional Collaboration.
- **Other:** Prompt Engineering, Stakeholder Collaboration, Content Analysis, Training Documentation, Training Needs Analysis (TNA), Process Improvement.

PROFESSIONAL EXPERIENCE

Instructional Designer– Wipro Technologies | December 2024 – February 2026 | Hyderabad, India.

- Led a team of 10+ analysts to develop e-learning modules, simulations, and job aids for operational training in the mapping domain
- Owned end-to-end delivery of learning solutions, ensuring alignment with client requirements, timelines, and quality standards
- Acted as the primary point of contact between SMEs, stakeholders, and internal teams for requirement gathering and solution design
- Designed and implemented training programs, improving operational accuracy by ~10–15%
- Managed the full instructional design lifecycle (ADDIE) and conducted Training Needs Analysis (TNA) to enhance training effectiveness
- Reviewed deliverables, conducted QA audits, and reduced content errors by ~15–20%
- Mentored junior team members, improving team productivity and content quality
- Developed 5+ SCORM-compliant, scenario-based e-learning modules using Articulate Storyline and Rise 360
- Published SCORM packages on LMS platforms and supported training for 100+ operators
- Collaborated with cross-functional teams to drive process improvements and training efficiency.

Learning Analyst– Wipro Technologies | November 2023 – November 2024 | Hyderabad, India.

- Delivered 3+ end-to-end learning solutions from analysis to deployment
- Contributed to reducing operational errors through targeted training interventions
- Supported the transition of content operations to an internal LMS, improving accessibility and scalability
- Received client appreciation for delivering high-quality learning solutions
- Managed multiple concurrent projects while consistently meeting deadlines
- Improved team efficiency by mentoring junior team members and streamlining workflows.

PORTFOLIO

- Advanced Customer Service Techniques | [View Course](#)
- Advanced Communication for Leaders | [View Course](#)
- Cybersecurity Awareness for Remote Working | [View Course](#)

KEY ACHIEVEMENTS

- Delivered 3+ end-to-end learning solutions from analysis to deployment
- Contributed to reduction in operational errors through targeted training interventions
- Successfully supported transition of content operations to internal LMS, improving accessibility and scalability
- Received client appreciation for delivering high-quality learning solutions
- Managed multiple concurrent projects while meeting tight deadlines
- Improved team efficiency by mentoring junior team members and streamlining workflows.
